A BRIEF HISTORY

Happy World Society established RK Senior Secondary School in 1981, with the efforts of the Founder. President Mr. Ram Kumar Shukla and Founder Director Mrs. Asha Shukla. Ex. Prime Minister Mr. Atal Bihari Vajpayee ji laid the Foundation Stone of the school on 20th September 1989, later Then Governor of Uttar Pradesh Shri V.Satyanarayan Reedy inaugurated the school building at Aliganj Lucknow on 17th March 1981. Since then, we have nurtured toppers and merit holders in the school. The school boasts its 2-acre campus in the heart of the city, affiliated to the CBSE Board New Delhi with beautifully built, impressive structure and spacious classrooms. It is characterized by the arched entrance vast open space and a huge field.

OUR VISION AND VALUES:

- To provide a safe, disciplined, purposeful, and caring environment.
- To value each member of the social community.
- To Foster the personal and social development of each individual.
- To Encourage all students to achieve their full potential in all areas.
- To Encourage high academic standards.
- To Make learning enjoyable and challenging.
- To Provide an enjoyable and challenging environment for teaching and learning.
- To Encourage all students to be sensitive to the needs of others and to respect their environment
- To Enable students to understand right from wrong, and that their actions have consequences.
- To Enable students to make informed decisions about their future and take responsibility for their lives.
- To Encourage extra curricular activities.
- To Involve parents, management and the community in the life of the school.

At RK Senior Secondary School, we seek to make education enjoyable. Challenging informative and wide-ranging. We create the conditions for the development of the whole. The person can encourage respect for individuals and the environment.

OUR TEACHING STYLE

Our experienced teachers guide students to gain knowledge, skills, and confidence in studying. Students are encouraged to communicate by sharing and developing ideas and knowledge. Classroom tasks are purposeful and designed carefully to develop the language and study skills required. Conceptualization is a basic feature of the communicative language teaching style, and students learn their English through using a variety of interesting materials.

FACILITIES

SPORTS

RKSSS also has a wide range of sporting facilities, including an indoor sports complex and auditorium measuring 4000 square feet to cater to students' needs for all indoor activities. These include judo, table tennis, and many other indoor games. A big one-acre playground provides a big space for outdoor sports like basketball, volleyball, cricket, football, etc.

CRICKET

The school has its cricket team coached by experienced former Ranji players. The school has registered its own cricket club, "RKSSS Cricket Club," which is affiliated with the U. P. Cricket Association. The school's sports club has won several reputed cricket tournaments. The school is equipped with seven practice nets and a ball machine. Two cricket pitches are synthetic, and the rest are turf surfaces.

BADMINTON

At RKSSS we have a state-of-the-art Indoor Badminton Hall having three BFA-approved wooden courts. The school also organizes different types of badminton tournaments at District levels.

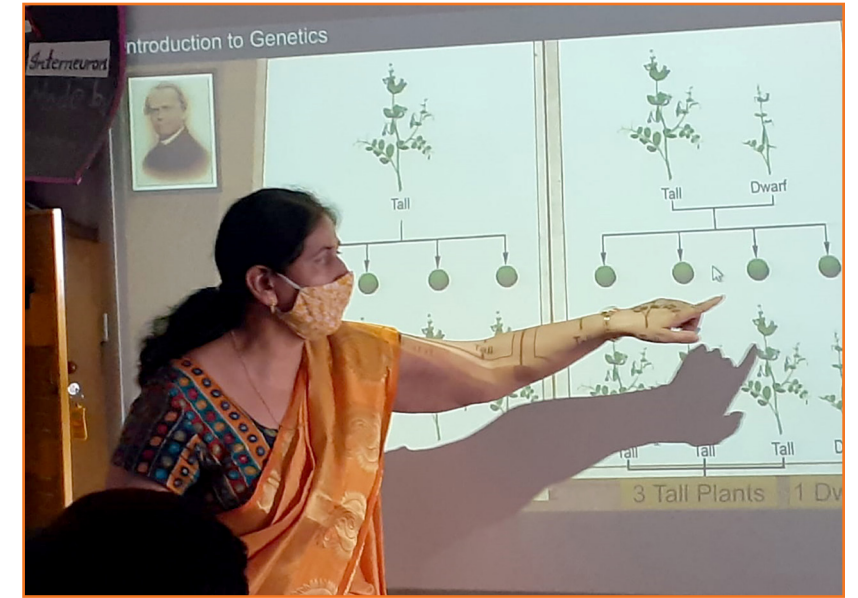

FENCING

At RKSSS, we take pride in offering a wide range of sports to foster physical fitness and discipline among our students. Under the guidance of skilled coaches, our students learn the art of fencing in a safe and supportive environment, embracing the values of sportsmanship and perseverance.

SMART CLASSES

We have a digital learning school system. It is a digital learning ecosystem that makes the end-to-end process of teaching and learning more engaging and easy. At the core of its rich multimedia-based pedagogically appropriate content mapped to school the curriculum apart from digital class classroom hardware and content, the ecosystem also includes bridging the features to make planning a class to assess students very effectively.

LABS

The school is equipped with all labs as per CBSE norms. The school has a state-of-the-art Chemistry Lab, Physics Lab, Biology Lab, Artificial Intelligence Lab, Math Lab, and Robotic Lab. Students have full access to all of the lab under the guidance of our experienced teacher which gives them practical knowledge of different science experiments, which helps students to understand science concepts and boost their creative thinking.

CULTURAL, COMMUNITY AND RECREATIONAL:

Opportunities exist for students to be involved in:

Quiz	Environmental projects
Instrumental	Vocal
Debating	Elocution
Dance and Drama Competitions	Recitations

ANNUAL FUNCTION 2024-25

PARENTS WELL INFORMED

CENTRALISED ACCESS AND REPORTING

Communicating with parents, students, and staff members using traditional methods like notices and circulars is time-consuming that's why the parents, academic, and non-academic staff get real-time reporting for various reasons in school through the ERP system. Every parent is well informed on a real-time basis of every notice regarding their children.

SECURE PREMISES

Your child is well secure in our compass. The school strictly adhered to the security norms laid by the management. No outsider can come inside the campus without the permission of the principal and an array of CCTV cameras to keep a close watch on visitors and activities on the campus. A photo ID card has been issued to the parents so that only the valid cardholder can take the child. Police verification of every staff is mandatory before recruitment.

CLEAN DRINKING WATER

The school is equipped with an automated industrial R.O. water purifier of 600 LPH with a water chiller on every floor to provide quality water to students around the year.

CODE OF BEHAVIOR AND RULES AND REGULATIONS

Parents must understand that the school attaches great importance to building sound character in students, they are expected to cooperate with the school authorities by making their children understand that a well-ordered and disciplined way of life is very important both at home and in school. Parents should supervise their lessons, and take an active interest in the activities of the school. Parents must adhere to the rules and guidelines provided by the school. A separate rule book will be provided by the school after the student's admission.

COURSES OFFERED FROM CLASS Ist TO VIIIth

The medium of instruction is English with Hindi as a second language. The study course is up-to class X provides for a general all round education and examines the students in English, Hindi, Science, Social Science, Computer, Financial Literacy, AI (Artificial Intelligence), Value Education, Art Education, Health and Physical Education and Work Experience.

Art of Healthy and Productive Living (AHPL) is a part of curriculum for classes Pre-I to V. It involves learning by doing. AHPL develops a child's mind and soul to enable him/her to develop a healthy attitude towards life.

Continuous and Comprehensive Evaluation (CCE) has been implemented in classes I to X. This scheme is a curricular initiative that shifts emphasis from testing to holistic learning.

PLUS-TWO SUBJECTS

The plus two syllabus is career oriented and we provide the following groups:

- General studies, work experience, computer literacy, physical and health education are compulsory subjects for all groups. Outreach programmes for classes IX to XI are also conducted. Subjects once offered will not be changed under any circumstance in class XI and XII after 30th July.
- Students are supposed to be present every day for CCE evaluation as they are evaluated daily. Medical certificates from registered doctor should be submitted if absent due to illness.
- Students must clear all examination conducted PT 1, 2, 3 Half Yearly, Annual Exam will be taken in various forms (MCQ, Oral, Activity, Projects etc).
- In spite of these tests students must clear activities, previous and surprise tests also.
